The Heart of the Matter

Presented by Dr. J. MacGregor

Canine heart disease can be congenital or acquired in Golden Retrievers, and can greatly impact individual breeding programs as well as the overall health of the breed.

Dr MacGregor will review the most common heart diseases in Goldens and new research that is being conducted.

Free program — visitors welcome!

Refreshments: 7:00 PM.

Meeting begins at 7:30 PM

Congregational Church, Acton MA – Intersection of Route 27 and Concord Rd.

For directions see http://www.actonc.org/au_directions.php

Enter from the back of the building at the bottom of the parking lot by the patio
